**ORDER DENYING
REQUEST TO CONTINUE
CASE MANAGEMENT
CONFERENCE**

In light of the fact that this case is now more than seven months old, it is important to get the case moving and the case management conference will go forward as set for July 31 with the defendants who have been served, and we will have to find a way to allow the remaining defendants to catch up in due course if and when they are ever served by plaintiffs' counsel.

The motion to continue is **DENIED**.

IT IS SO ORDERED.

Dated: July 28, 2014.
